In Memory Of Michael

To lose someone special is really hard to bear,
It hardly seems fair that you're no longer there.

You left us before your time, passing on your hopes and dreams.

For death leaves heartache no one can heal,
Memories are treasures that no one can steal.

Some may forget you now that you are gone,
But we will remember you no matter how long.

We miss your smile, your voice, your wit,
We miss your sense of humour, your joking ways,
We miss the things you used to say.

And when old times we do recall, it's then
we will miss you most of all.

For no tears, no verse can ever say,
How much we will miss you every day.
