

The Horses

We will fly, way up high
Where the cold wind blows
Or in the sun laughing having fun
With the people that she knows
And if the situation should keep us separated

You know the world won't fall apart
And you will free the beautiful bird
That's caught inside your heart
Can't you hear her?
Oh, she cries so loud
Casts her wild note over water and cloud

That's the way it's gonna be, little darlin'
We'll be riding on the horses, yeah
Way up in the sky, little darlin'
And if you fall I'll pick you up, pick you up

You will grow and until you go
I'll be right there by your side
And even then whisper the wind
And she will carry up your ride
I hear all the people of the world
In one bird's lonely cry

See them trying every way they know how
To make their spirit fly
Can't you see him?
He's down on the ground
He has a broken wing looking all around

That's the way it's gonna be, little darlin'
You go riding on the horses, yeah
Way up in the sky, little darlin'
And if you fall I'll pick you up, pick you up

That's the way it's gonna be, little darlin'
You go riding on the horses, yeah
Way up in the sky, little darlin'
And if you fall I'll pick you up, pick you up

That's the way it's gonna be, little darlin'
You go riding on the horses, yeah
Way up in the sky, little darlin'
And if you fall I'll pick you up, pick you up

That's the way it's gonna be, little darlin'
You go riding on the horses, yeah
Way up in the sky, little darlin'
And if you fall I'll pick you up, pick you up

That's the way it's gonna be, little darlin'
You go riding on the horses, yeah
Way up in the sky, little darlin'
And if you fall I'll pick you up, pick you up

A poem for our girl

Today the sun shines just for you Leesa dear,

A radiant sky, your spirit clear.

Sequins sparkle, joy in the air,

Colors bold, a life so rare.

Margaritas flow, laughter rings,

In every moment, your essence sings.

We dance and feast, hearts aglow,

Celebrating you, the star of the show.

Leesa, your light, your love, so bright,

A joy that fills the world with light.

We cherish you, come what may,

A shining star in every way
