*I Heard Your Voice In The  
Wind Today*

I heard your voice in the wind today  
and I turned to see your face.  
The warmth of the wind caressed me  
as I silently stood in place.

I felt your touch in the sun today  
as its warmth filled the sky.  
I closed my eyes for your embrace  
and my spirit soared high.

I saw your eyes in the window pane  
as I watched the falling rain.  
It seemed that, as each raindrop fell,  
it quietly said your name.

I held you close in my heart today.  
It made me feel complete.  
You may have died... but you are not gone.  
You will always be a part of me.

As long as the sun shines,  
the wind blows, the rain falls,  
you will live on inside of me forever.  
For that is all my heart knows.
