Bite of Life

*Every bite's a moment to savour,
Every step's a dance of flavour,
From the kitchen to the skies,
Hoping for a sweet surprise.*

*Food on my plate, love in my heart,
Tasting the world, where to start?
From morning light to evening's glow,
I'm living it up, don't you know?*

*Spices dance, flavours true,
Every meal's a dream come through,
Laughter with friends, stories to share,
A feast of love fills the air.*

*A glass of wine, so rich, divine,
A sip of joy, it feels like mine,
Raising a toast to moments sweet,
With every pour, life's more complete.*

*Here's to living, here's to taste,
To every moment we embrace,
Food and love, life's perfect blend,
Let's savour it all, till the end.*
