# *Your Mother is always with you*

*Your Mother is always with you  
She's the smell of certain foods you remember  
Flowers you pick, the fragrance of life itself.  
She's the cool hand on your brow  
When you are not feeling well.  
She's your breath in the air on a cold winters'day.  
She is the sound of the rain that lulls you to sleep.  
The colours of a rainbow.  
She is Christmas morning.  
Your Mother lives inside your laughter  
She's the place you come from – your first home.  
She's the map you follow with every step you take.  
She's your first love, your first friend  
But nothing on earth can separate you  
Not time  
Not space  
Not even death.*
