Family and love and the time spent together
Turning the greyness into glorious weather.
Whisked away in a Willys Overland Whippet
With three generations raising your spirits.

Captured in memories forever hereafter
Your essence floating on mirth and laughter.
Fate was challenged with strength and poise
And memories of life's journeys and joys.

Be forever in our hearts. Fare well. Rest belle.
Bathe in the ever after for a lengthy spell.
Peacefully cuddled in floral Gundi Cotton
A soul revered, you will never be forgotten.

We will think of you when we see the light,
Hear the birds, and when the mist takes flight.
We will think of you when we feel the sun,
Taste the rain, and when the bloom is done.

Husband and sons, and daughter and young
In grief there is solace, another journey has begun.
Our Jan, our Mum, our Nanna lives forever
In the memories we cherish that hold us together.
