# A Measure of A Man

*The measure of a man is not determined  
by his show of outward strength,  
Or the volume of his voice,  
or the thunder of his actions,  
Or of his intellect or academic abilities.*

*It is seen rather in terms of the love that he has  
for his family and for everyone.  
The strength of his commitments,  
the genuineness of his friendships,  
The sincerity of his purpose,  
the quiet courage of his convictions.*

*The fun, laughter, joy, and happiness  
he gives to his family and to others.  
His love of life, his loyalty, and his honesty,  
and his contentment with what he has.*
