Our Angel **Anne**

All dressed up in ribbons and curls,
With Mum beside them —
Two little girls.
Standing here amongst family and friends,
Through stories, we celebrate memories of Anne.
Silence fills the house and halls,
The cheeky grin and laughter — no more.
A mother, a sister, a Grandma and loving wife,
Today we are here to celebrate her life.
Through these memories stay in our hearts,
And know that then we'll never truly part.
There are things in this life we can't understand,
But today, we remember our angel — Anne.
