

# Thank You

We want to express our deepest gratitude to everyone who made the effort to be here today, and to all of you who, in ways big and small, were part of Denis's life.

Denis was an extraordinary person, full of curiosity, humour, generosity, and a quiet strength that touched everyone who knew him. But he didn't become that person in isolation. Each of you, as family, friends, colleagues, neighbours, and companions along the way — helped shape his life. Through your conversations, your adventures, your music, and your kindness, you enriched his world and helped make him the remarkable man we were so lucky to know.

Your presence here today is a testament to those connections. It means a great deal to us, and it would have meant everything to him. Thank you for being part of his journey, and for honouring him with your presence.
