

## She is not Gone

Ease your grief, she is not gone,  
For in your heart she lingers on  
Her smile, her laugh, her special way,  
Will comfort you, From day to day.

You'll feel her presence in the breeze  
that dances gently, through the trees  
and it's her face that you shall see  
when you're in need of company

At anytime you can recall  
the love you shared... you saved it all  
and in time, more than anything,  
you'll find peace in remembering.

Celebrating the Life of

# Regina Florence Crouch

20th August 1935 - 7th July 2025

# In Loving Memory of our Mum

The moment that you left us our hearts were split in two  
one side was filled with memories the other died with you

We often lay awake at night when the world is fast asleep  
and take a walk down memory lane with tears upon our cheeks

Remembering you is easy we do it every day  
but missing you is heartache that never goes away

We hold you tightly in our hearts and there you shall remain  
life goes on without you but it can never be the same

How can we find the words to let you know how much we care  
to thank you mum for all you've done for always being there

You've been friend as well as mother walking with us all through life  
through the joy and through the laughter through the heartache and the strife

We're proud that you're our mother we've been deeply blessed it's true  
and we can't imagine anyone could be more loved than you
