

Wayne John Kent

25th April 1951 - 7th August 2025

His Final Race

**The sun dipped low, the stands fell still,
Yet he was there, watching from the hill.**

**Eyes on the track, calm and proud,
Hearing the thunder roll through the crowd.**

**The horses flew, the moment near,
He smiled, the finish line was clear.
And as they crossed, with grace, with pace,
He rose to watch his final race.**
