Life

*To day is a new day
The sun is going to shine
Happy is the way
Will be this heart of mine*

*Tomorrow even brighter
As I wonder on my way
My worries even lighter
Cause it's another day*

*And if I fail to faultier
With pressure, trials and tests
Surely through my journey
My life will be the best*

*One thing I'm very sure of
Life gets shorter every day
Don't waste your time a wailing
Let God make a way*

*Cause when death comes calling
And we pass on through the veil
It will be too late complaining
God, my life, I failed!*
