

25TH FEBRUARY 1961 - 16TH APRIL 2026

# AS THE MAN GOES ROUND THE LAND

He learns what counts when the times are hard,  
And the pace is steady and slow.  
And he measures a man not by words or show,  
But by how he will lend a hand,  
And the lines he draws are the lines he knows,  
As the man goes round the land.
